Major Communication update

1st December
New & improved website

The screenshot displays the new website for Christ Church CofE Primary School. At the top left, the school's logo is visible next to the text "Christ Church CofE Primary School". To the right of the logo is a search bar with a magnifying glass icon, a globe icon, and a button labeled "Example link". Further right is a "Useful Links" dropdown menu. Below the header, the main content area is titled "Class Pages" and features a grid of seven class page cards. Each card has a background image of the school logo and contains the following text: "EYFS - Saint Nicholas", "Year 1 - Saint George", "Year 2 - Saint Andrew", "Year 3 - Saint Paul", "Year 4/5 - Saint Elizabeth", "Year 6 - Saint Peter", and "SEND - Saint Joseph". Each card also includes a "Click to View" link. To the left of the class pages, there is a vertical image of a young girl in a school uniform, with information icons below it. At the bottom of the page, there is a footer section with the school logo, contact information (phone number 01234 567890, email example@example.com, and address Lorem ipsum dolor sit amet), and a "Useful Links" section with an "Example link". A "Calendar" widget is partially visible at the bottom left, showing "Calendar" and "View More Dates" buttons.

Major Communication update

1st December
