A message from Mr. Kelly

What a busy Spring term we have been having!

Our Year 6 Children represented us well at the annual LDBS St. Paul's Cathedral service on **30th January** by writing and presenting prayers to children from the 150 schools across London. They did so well, that Amelio has been asked to return for a special Easter service where he will ask challenging questions of the Bishops of London.

On **6th March**, we celebrated World Book Day. It was amazing to see the children dressed up as their favourite characters and to see them spending some time enjoying reading. Long may the reading continue!

On **10th March**, Miss Akthar had arranged the Silly Science workshop as part of Science week. The children were really fascinated by Professor Nitrate's experiments and she almost set a couple of staff members hands on fire too (all safety checked, of course)!

Governors' School Maintenance Fund

We need your help!

Have you contributed to the SMF this year?

As a Voluntary Aided School we ask parents to contribute **£40** each year towards the Fund, which helps to pay the school's share of any **building or maintenance** work.

Church school buildings are **not maintained by the Local Authority** and therefore we have to fund part of any work done ourselves. Your donation goes a long way to support this.

The SMF can be paid

£40 in one payment

or

Autumn term **£20**
Spring term **£10**
Summer term **£10**

Pay at the school office, or through the ScoPay/Tucasi account

Our Gardens need you!

Can you spare an hour or two on Tuesday 15th April to support the team from Groundforce in their volunteer work to tidy up our garden areas and plant flowers and vegetables?

If you can help, please contact Mr. Kelly or Mrs Baverstock.

Defibrillator now installed in school

Our school now has a defibrillator installed for use in case of medical emergencies. If someone has an emergency on school grounds, or in the street outside, just call the office for CPR support.

Our Christian Value this term is Forgiveness.

This term the children will be learning about the value of **forgiveness** and will be exploring how this can sometimes difficult when someone has hurt you..

The children will be exploring videos, stories and bible passages to find out what makes Forgiveness one of our values.

The Bible teaches us to: *“Be kind to one another, tenderhearted, forgiving one another as God forgave you”* (Ephesians 4:32) and that *“For if you forgive others their trespasses, your Heavenly Father will also forgive you”* (Matthew 6:14) and finally *“ As the Lord has forgiven you, so you must also forgive”* (Colossians 3:13)
